### 3 D Archery A Guide

Shooting 3D archery can be mentally and physically challenging. Focus on your form and keep an open mind. "One of the best benefits of competitive archery is the people you meet, and the ability to join a like-minded community of bowhunters," Salonen said. If you're shooting 3D for the first time, you'll likely meet many people.

### The Bowhunter's Guide to 3D Archery - Bowhunting 360

Perhaps the most unique thing about 3D archery, in comparison with its counterparts, is the scoring method.. Even the larger 3D targets like those meant to represent bear or moose often have a smaller target area than those on regular cube or bag targets that sport the circular bullseye.. Additionally, they're not typically placed in the center of the target like they are on cube or bag targets.
