Beyond Psychology

Beyond Psychology was his first book in English, and it contains the results of a lifetime of thought and research about man's essential nature. In Beyond Psychology Rank explores the ultimates of human existence — the fear of death, the desire for immortality, the nature of sexuality, the basis of personality, the nature of social organization, the need for love, the meaning of creativity.

Beyond Psychology by Otto Rank - Goodreads

Beyond Psychology is a special selection of talks by Osho to a small group of people who travel with him during a so-called world-tour. Each chapter is a rare jewel of wisdom. Osho develops here his concept of a mystery school which he sees as a future model in which human beings can make real spiritual experiences and discover themselves.

Beyond Psychology will always be of significance since it was the first book to codify the technique of Traumatic Incident Reduction (TIR). TIR has gone on to find many applications as a brief, one-on-one, non-hypnotic technique in such diverse groups as Vietnam veterans, domestic violence and motor vehicle accidents survivors.
