The infamous Dark Riders were a great Fast Cavalry unit in the last codex and have improved with the new codex. They have gotten significantly cheaper and now have an option for shields without losing the Fast Cavalry rule. This means they are one of the only fast cavalry units with a 4+ save and still be under 20 points per model.

Dark Elves are not for people who expect all their units to have the toughness of Lizardmen or Dwarves, or the hitting power of Chaos Warriors or Ogres. Yes, the Dark Elves have units that hit like a ton of bricks (Hydra most notably) but they are the minority. Dark Elves excel at having cheap infantry with good stats and lightning quick attacks.

### DARK ELVES - Games Workshop

Since my last post I have begun playing Dark Elves using the 7th Edition codex and have played multiple battles using the new 8th Edition codex. I have decided to write a review of the codex, starting with the Core Units. First thing of note is the three universal special rules that ALL dark elves get.
