About Dealing with Darwin. Geoffrey Moore is one of the most respected and bestselling names in business books. In his widely quoted Crossing the Chasm, he identified and addressed the greatest challenge facing new ventures. Now he's back with a book for established businesses that need to learn how to adapt—or suffer the slow declines into marginalized performance that have characterized so many Fortune 500 icons in recent years.

Darwin winners suffer a practical form of karma. They prove our theory that if you don't use your head to enhance your survival, you'll be fingered by the impartial hand of fate. Awards: Charles Darwin's theory of natural selection. In a single lifetime one finds ample proof that natural selection leads to evolution.
