The Transformational
Learning Theory

Get Free Learning As Transformation

originally developed by Jack Mezirow is described as being “constructivist, an orientation which holds that the way learners interpret and reinterpret their sense experience is, central to making meaning and hence learning” (Mezirow, 1991). The theory has two basic kinds of learning: instrumental and communicative learning.

The Transformative Learning Theory: What eLearning ...

Transformative
learning refers to those
learning experiences
that cause a shift in an
individual's
perspective. It is based
on the idea that
learning is "the process
of making a new or
revised interpretation
