A classic take on the nose hair cutter design, the Panasonic ER-GN30-K is featured on our list due to its inexpensive price tag and the utility it brings with its design. Powered by a AA battery, this trimmer isn't environmentally-friendly, as it's non-rechargeable, but on the plus side, you can use it anywhere without bringing a charger and get up to 90 minutes of trimming on just one ...

One nonmedical and safe way to obtain relief for your dog's stuffy nose is to put him in a room with a humidifier. The increase in air moisture provided by the humidifier helps open nasal passages. This goes a long way to helping him breathe better and can be continued with other medications for conditions like infections with no ill effects.
