History. Modern meditation music in the 20th century began when composers such as John Cage, Stuart Dempster, Pauline Oliveros, Terry Riley, La Monte Young and Lawrence Ball began to combine meditation techniques and concepts, and music. Specific works include Tony Scott's Music for Zen Meditation (1964), Karlheinz Stockhausen's Inori (1974), Mantra

Meditation music - Wikipedia

Folk music is a music genre that includes traditional folk music and the contemporary genre that evolved from the former during the 20th-century folk revival. Some types of folk music may be called world music. Traditional folk music has been defined in several ways: as music transmitted orally, music with unknown composers, music that is played on traditional instruments, music about cultural ...
