Globalization, or globalisation (Commonwealth English; see spelling differences), is the process of interaction and integration among people, companies, and governments worldwide. Globalization has accelerated since the 18th century due to advances in transportation and communication technology. This increase in global interactions has caused a growth in international trade and the exchange of ...

Gates' Medical Plan: Global Immunization and Surveillance. One of the reasons many are now becoming aware of just how powerful Gates has become is because of his frequent appearances as the COVID-19 expert du jour. It's an odd choice, considering his complete and total lack of formal medical training. It's
