Guidelines for Creating a Polarity Map • Identify a key polarity. This is done through dialogue to create a non-blaming description of the issues, opportunities, and polarities present in any given situation. • Agree on names for the poles. Remember both poles are necessary and interdependent. • Write the pole names on the map.

Learn How to Manage a Polarity's Ebbs and Flows. A decade ago, leaders would agree on a strategy and focus on it relentlessly. Grow, grow, grow, the mantra might be; don't get hung up on cost savings or consolidation. Then the downside of a growth-only focus would appear — bloated infrastructure, cost overruns, inefficiencies — and the pendulum would shift the other way.
