and capability of school leadership is the most significant in school influence on student outcomes.2 Our education system aspires to both excellence and equity of outcomes for students, so a high priority for our system is to understand and apply school leadership that works.3

SCHOOL LEADERSHIP THAT WORKS - Education Review Office

3. Shift your attitude. Doing all the work by yourself is no longer the overall goal. Productive leaders drive team results by delegating tasks. It's not possible to do all the work yourself anymore. You'll want to flip the way you define, think about, and conduct work, which includes developing (i.e., coaching and mentoring) others.
