How to beat your comfort zone. Despite the power that your comfort zone holds over you, with the right effort and some patience, it's quite easy to develop the habit to step outside of it. You just need to know the right way to do it. When I was younger, I had this old pair of shoes I'd wear from time to time.

## **Picking & selling outside of your comfort zone. Make more money!**

Below are three ways that the comfort zone holds you back from moving your career forward: #1—It makes you feel better about saying “No” to considering a new opportunity. When you’re in the comfort zone, you’re subconsciously looking for ways to stay in it. Considering a new opportunity forces you to step out of the zone, if only briefly.
