The Rise Of Hitler Witness To History

I learned about Hitler and World War II when I studied Modern World History in 10th grade; thus, I have some kind of general ideas of what he did as German chancellor and his way of thinking. We already know that he is an anti-Semite who persecuted Jewish people from Germany and lead to the Holocaust, the most cruel incident remaining long in history.

The Rise of Hitler - Nathaniel Harris - Google Books

Hitler considered the traitors of 1918 to be the German politicians responsible for the so called 'stab in the back,' who prematurely ended World War I and established the German democratic republic. In Hitler's mind and among many Germans, their Army had not been defeated on the battlefield but had been undermined by political treachery at home.
