You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

What Really Works For Kids

A live video chat kept the kids' attention better than a prerecorded video, but only kids whose parents participated alongside them were able to learn new words from the screen (Journal of Experimental Child Psychology, Vol. 166, 2018). Three- to 5-year-olds, on the other hand, are a bit more savvy.

What do we really know about kids and screens?

A. G. Lafley is the former Chairman of the Board, President, and Chief Executive Officer of Procter & Gamble. Under Lafley's leadership, P&G's sales doubled, its profits quadrupled, its market value increased by more than \$100 billion, and its portfolio of billion-dollar brands—like Tide, Pampers, Olay, and Gillette—grew from 10 to 24.
