Windows Internals 7th Edition

The first Windows internals book i bought was around 8-9 years back and that was 5th edition. Few years back i bought the 6th edition and now this 7th edition. Over the years Windows has evolved tremendously and that is visible in the Windows internals books over the years. The 7th series is quite interesting and covers the latest changes till Windows 10 1607.

The Windows Internals book, 7th edition Part 1, uses many tools to demonstrate various features of the Windows operating system. Most are from Sysinternals (<http://www.sysinternals.com>) and built-in tools. But some tools were written by Alex Ionescu and myself and used in the book; these are be published here with full source code.
